

Wine Features

Olivier Horiot Champagne Mëtisse Noirs et Blancs Extra Brut NV

(80% Pinot Noir/20% Pinot Blanc)

Riceys, FRA

3oz / \$20

5oz / \$33

750mL / \$168

An organic and biodynamic grower's champagne from the town of les Riceys in the southern-most part of the Champagne region. White apricot, yellow grapefruit, spice, and limestone minerality cloaked in fine mousse and brioche. Energy, depth and complexity from a small yet meticulous grower/producer. Offered by the glass using the Perlage preservation system.

2017 Calalta 'Mentelibera'

(Bronner/Incrocio Manzoni/Riesling)

Veneto, ITA

3oz / \$11

5oz / \$17

750mL / \$82

The word Mentelibera: meaning a free or unlocked mind informs this unorthodox blend of grapes grown in clay soil at the foot of Monte Grappa, Veneto. Fresh hay, white currant, wet stones, honey, and juniper spill forth from this unfiltered juice fermented naturally using indigenous yeasts and without temperature control.

Pacina 'La Malena' 2016

(Syrah/Ciliegiolo)

Toscana, ITA

3oz / \$13

5oz / \$20

750mL / \$100

A blend of Syrah and Ciliegiolo form a benchmark organic and biodynamic producer in Crete Senesi, Tuscany. Dense cherry, black currant, tobacco, and earth with a distinctly funky/meaty character and lovely, lifted acidity. It kind of smells like a dry-aged steak. Spontaneously fermented, unfiltered and unfinned.
